

Jim Gorman's Junior Tennis Camps 2022

Welcome back to another summer of tennis camp! We will be following the CDC guidelines as they apply to tennis, to make sure your kids are safe while on the courts. As the guidelines are updated, we will also. This year's basic rules are all players will be required to disinfect their hands as they arrive and depart, normal social distancing, players will be limited to 6-8 to a court. We will be disinfecting equipment after each session.

Let's get the kids out of the house and on to the court for some fun and exercise through the lifelong sport of tennis. Yes, we do on and off court drills, live ball skills, points and games. Come out learn, build confidence, coordination and have fun.

Each Junior Tennis Camp session will offer a comprehensive view of tennis including shot-making, match strategy, sportsmanship, mental toughness, nutrition and other aspects of competitive tennis. Each camp is designed to build tennis skills, tactics and confidence. This year's tennis program has been expanded to include all grade levels – 1st grade through 12th.
